

## DRUG TARIFF - Part 7B

The following items have been added to the Drug Tariff under a new section – Part 7B. This section has been developed in order to clarify the pricing of certain items when prescribed generically on CP2 forms. It is not meant to be a ‘white list’ for MAS. It should however help to reduce the number of items which are disallowed on MAS forms.

If you have any comments on the list e.g. notable omissions, please contact us.
